

South Lake High School Students,

We would like to inform you about a new program that we are going to be utilizing at our school called FlexTime. FlexTime is an extra class period that we will be offering every Tuesday and Thursday between 2nd and 3rd period. The FlexTime class period will run for 30 minutes. During this time, you will be able to receive remediation and acceleration in the courses that you need the most help in. You will be given the opportunity to select the course of your choosing prior to the FlexTime class period. When we officially start our FlexTime courses, all students will need to sign up for a course by 3:00pm the day prior to FlexTime (in other words, every Monday and Wednesday). The expectation for all students is that you sign up for a course and then attend the course you sign up for. If you fail to sign up for your course on time or if you fail to report to your class, there will be a consequence that comes with it, so please make sure you are signed up and in your FlexTime course on time. Remember, FlexTime is not Power Hour, this is not a time for you to come and go as you please. This is a structured time where we expect you to be in the location you are signed up for. We want FlexTime to be a great resource for all of you and we believe it will be a great time for all of you to get the help you need in the courses that you need it the most. We are very excited to begin our FlexTime class period and look forward to seeing the positive impact it will have on your learning here at South Lake High School.
