Dear Parent:

Florida state law requires that East Ridge Middle School notify a parent or guardian when a teacher in a district school system is assigned teaching duties in a class dealing with subject matter that is outside the field in which the teacher is certified.

Elizabeth Suleiman, who is currently instructing your child in Language Arts, meets the criteria for parental notification under this law. The teacher is currently working toward certification in the desired area, (English).

Based upon a review of the teacher's educational background, I believe that Elizabeth Suleiman is qualified to successfully deliver instructional services to your child.

Please feel free to contact the school if you have any questions.

Sincerely,

Jamie Sidoruk
