SchoolMessenger Contact Information

Lake County Schools (LCS) uses the SchoolMessenger platform to communicate with parents and guardians. It has come to our attention that the Federal Communications Commission (FCC) has strengthened the language of the Telephone Consumer Protection Act, which was created in 1991. The Telephone Consumer Protection Act now requires your expressed consent before mass communication can occur via an automated system. LCS must obtain written permission from you in order to communicate through SchoolMessenger for general calls. Emergency calls will continue to be sent to you from SchoolMessenger. Please select one of the options below and return this form to your child/children's school.
